

**Report of the Communications and Consultation (C&C) Group meeting
December 15th, 2022**

C&C Group representatives joined the meeting of the Pension Advisory Council and reviewed and discussed the following items:

- Plan communications and Canada Post pre retirement seminars – Representatives received an update on the plans communications and pre retirement seminars.
- Solvency Update – The chair shared with representatives that we are still waiting on an update from The Department of Finance (federal government) on the solvency update.
- Discussion surrounding the loss of community mailboxes
- Access to retirement webinars on the Defined Benefit portion of the plan was raised for questions
- A verbal report of the Q3 Financial Update was provided by the chairs of the CCG
- The next meeting is scheduled for April 19, 2023.
